## **Safe Harbor Statement**

Certain matters discussed in this press release are "forward-looking statements," intended to qualify for the safe harbors from liability established by the Private Securities Litigation Reform Act of 1995. Statements other than statements of historical fact are considered forward-looking statements. These statements may be identified by the use of forward-looking words or phrases such as "anticipate," "believe," "confident," "could," "expect," "intend," "may," "planned," "potential," "should," "will," "would" or the negative of those terms or other words of similar meaning. Such forward-looking statements are subject to certain risks and uncertainties, which could cause actual results or outcomes to differ materially from those currently anticipated. Factors that could affect actual results or outcomes include the matters described under the caption "Risk Factors" in Item 1A of the Company's Form 10-K which was filed with the Securities and Exchange Commission on December 7, 2018, and the following: changes in economic conditions, consumer confidence levels and discretionary spending patterns in key markets; uncertainties stemming from changes in U.S. trade policies, tariffs, and the reaction of other countries to such changes; the Company's success in implementing its strategic plan, including its targeted sales growth platforms, innovation focus and its increasing digital presence; litigation costs related to actions of and disputes with third parties, including competitors; the Company's continued success in its working capital management and cost-structure reductions; the Company's success in integrating strategic acquisitions; the risk of future writedowns of goodwill or other long-lived assets; the ability of the Company's customers to meet payment obligations; the impact of actions of the Company's competitors with respect to product development or enhancement or the introduction of new products into the Company's markets; movements in foreign currencies, interest rates or commodity costs; fluctuations in the prices of raw materials or the availability of raw materials or components used by the Company; any disruptions in the Company's supply chain as a result of material fluctuations in the Company's order volumes and requirements for raw materials and other components necessary to manufacture and produce the Company's products; the success of the Company's suppliers and customers and the impact of any consolidation in the industries of the Company's suppliers and customers; the ability of the Company to deploy its capital successfully; unanticipated outcomes related to outsourcing certain manufacturing processes; unanticipated outcomes related to litigation matters; and adverse weather conditions. Shareholders, potential investors and other readers are urged to consider these factors in evaluating the forward-looking statements and are cautioned not to place undue reliance on such forwardlooking statements. The forward-looking statements included herein are only made as of the date of this filing. The Company assumes no obligation, and disclaims any obligation, to update such forward-looking statements to reflect subsequent events or circumstances.
